

Important Documents Required

Health and Immunization Information:

Who needs a School Physical?

- Students entering **Kindergarten**
- Students entering **seventh grade**
- Students in all grades who are new to schools in the State of Florida

School physicals are documented on Florida Department of Health **Form 3040** provided by your child's physician.

Who needs a Sports Physical?

Any fifth grade or middle school student who wants to participate in LCS Athletics must have on file a current (within the past 12 months) physical examination documented on the Physical Examination Form. This requirement is in addition to the State of Florida health examination **Form 3040** required for all seventh graders.

Immunization Requirements:

All students entering **Kindergarten** and **seventh grade** must have documentation of all required immunizations thru Florida Department of Health, **Form 680; Florida Shots version**- must ask Dr. for this specific version.

- All students are required to have varicella (chicken pox) vaccine or documented history of the disease.
- A second dose of MMR (measles, mumps, rubella) for all students in kindergarten-8th grade.
- A second dose of varicella vaccine for all students in kindergarten and first grade.
- Completed Hepatitis B vaccine series for all students
- Tdap (tetanus-diphtheris-pertussis) booster for all students in seventh grade

Birth Certificates:

- A copy of live birth is required of all students.

All documents must be submitted to the school office prior to the first day of school.

Compliance is mandatory for school attendance.

Other Health Documents for Current Students:

Physician's authorization of Medication for a Student at School- this form is needed if your child needs to receive medication during the school day.
